

# This real estate start up is aiming to flip homes with the help from Uber drivers

[finance.yahoo.com/video/real-estate-start-aiming-flip-174221198.html](https://finance.yahoo.com/video/real-estate-start-aiming-flip-174221198.html)

In this article:

This new start-up called 'Cori' is looking to flip that house, but with the help from Uber drivers. Based in Atlanta, Georgia, this real estate firm is seeking to recruit uber drivers to help them identify run down homes on their routes that they can then buy and sell for a profit. Yahoo Finance's Adam Shapiro and Julie Hyman discuss with Cori International Investments chief technology officer and co-founder Eric Richner.
